

Illustrations

This project shows illustrations made for various professional and personal projects.

Card

Illustrated cards for friends describing their personalities or interests.

Stamp

Book stamp designed for Mette, the name means pearl and sun.

Tea bag

Tea bag design made for a course project where we developed a VR experience for the Curacao exhibition at the National Archive in The Hague. These tea bags were given to the participants at the end as a reminder of the experience.

Minimalistic depictions

Malika Favre inspired illustrations of daily life.

Expressive illustration

Digital charcoal illustration.

Playful doodles

Expressive character illustrations.

Wellbeing weeks promotion

Designed during my student job at the Student Union to promote the wellbeing week activities.

National park De Veluwe

Minimalistic illustration of national park de Veluwe in autumn.
